2. Register new account (if student does not have an account).
3. Login to A\*STAR Scholarship Portal.
4. Go to: **Apply Scholarships**.
5. Apply for respective scholarship (**A\*STAR Graduate Scholarship** or **Singapore International Graduate Award**).
6. Follow the instructions and fill in required information carefully.

Please note that in order to apply for “**SIMTech-NTU Joint Laboratory on Complex Systems PhD Programme**”, follow the instructions below.

7. Go to **Research** section.
8. Choose **Thematic Program** in Institution.

The screenshot displays the A\*STAR Scholarship Application Portal interface. At the top, the Agency for Science, Technology and Research (A\*STAR) logo is visible on the left, and the text 'Scholarship Application' is on the right. Below the header, there is a navigation bar with several tabs: 'Instructions', 'Personal Info', 'Education Details', 'Education (Others)', 'Languages / Awards / CCA', 'Career', 'Education Plans', and 'Research'. The 'Research' tab is circled in red. Below the navigation bar, the 'Scholarship Title' is set to 'Singapore International Graduate Award (SINGA)'. A legend indicates that fields with an asterisk are mandatory. The main content area is titled 'PROPOSED SUPERVISOR & PROJECT (SINGA)' and contains instructions for listing up to 3 proposed supervisors and research projects. Under the '1st Choice' section, the 'Institution' dropdown menu is highlighted with a red circle, and 'Thematic Program' is selected and highlighted in blue. Other fields include 'Supervisor's Name', 'Project' (with a dropdown menu set to 'Other'), 'Project Title', and 'Project Description'. An 'ADD ENTRY' button is located at the bottom of the form.

9. Choose **SIMTech-NTU Complex Systems Joint Lab** in Thematic Program.
